INTERVIEWING AFTER THE FAIR

Interview schedules must be requested prior to the Career Fairs through Handshake. When logged-in, click on "Request an Interview" to submit your detailed interview requests.

Due to high demand for space on days following a career fair, these interviews will be held at individual tables in a large common room. If you have requested interview space through Handshake for a day following the career fair, your schedule will be available the morning of the career fair you are attending. You may add candidates to your schedule throughout the day.
